### **Important customer information:**

- Expay Global company permits unlimited daily withdrawal from banks' ATM, subject to their operators' policies; and it does not limit the sum of the daily purchasing.
- Charges are deducted in the card currency at Euros, from the balance in the card.
- The transaction's origin is determined by the firm location where it has been performed. In case of internet transactions the country code of the internet address is not necessarily the code of the firms' country, in such case the charge is based on a different country.
- Card transactions are subject to the rules and policies of Master card and the issuing bank.
- Card is valid as is specified on the card and not more than 24 months.
- The company is not liable to any policies of the clearing companies and/or of MasterCard. The company reserves the right to change the business conditions related to this card.
